**MEMORANDUM OF PARTNERSHIP
with the
Emergency Information Infrastructure Partnership (EIIP)**

The Emergency Information Infrastructure Partnership (EIIP) is a voluntary association of organizations seeking to enhance their effectiveness in coping with disasters and emergency situations by exploring the opportunity for sharing information and ideas made possible by digital technology. The undersigned has reviewed the Mission, Vision, and Guiding Principles of the EIIP, and sharing the values of the EIIP, wishes to associate through Partnership.

Partner agrees to:

1. Hereby designate a point of contact (POC), and maintain current contact information in the future.
2. Provide a link from Partner's Website to the EIIP Virtual Forum Website as appropriate. (Click on the logo above to access a copy for your site.)
3. Help circulate program announcements to members of Partner's organization and encourage them to participate.
4. Provide feedback and suggestions for EIIP activities.

The EIIP agrees to:

1. Link to Partner's Website.
2. Subscribe the Partner POC to the EIIP Partner Mailing List.
3. Provide the Virtual Forum facility for Partner's non-commercial purposes related to emergency management.
4. Consider Partner's needs and priorities relating to information to enhance knowledge and understanding of emergency management issues.
